

Expression of Interest: Neighbourhood LAB 2024

As part of the Making Change Strategy, Platform Arts is pleased to be co-delivering a new artist residency opportunity for artists in the G21 region.

We are inviting individual artists, curators, creatives and collectives who live, work or study in the G21 region* to participate in a new artist development program hosted at Platform Arts. The Neighbourhood LAB program will support regionally-based artists through monthly gatherings and sessions led by guest artists and practitioners to support an artist driven program that aims to foster a contemporary practice in regional creative communities.

Please read and fill out this application carefully, and review the guidelines on our website.

Please get in contact with us via hello@platformarts.org.au / **03 5224 2815** if you would prefer to apply in an alternative format, or if there are any barriers we can assist you with during this submission process.
